

1 1-20000916-344598804113528 (26:35)

2 PERSON 1: Oh, somebody. Oh –

3 PERSON 2: Go to sleep, man, what are you doing?

4 [laughter]

5 JEREMY: All I was just about to tell ‘em is it’s good – it’s good for you guys, because John
6 approves the fact that – Leaf you still on the line?

7 LEAF: Yeah.

8 JEREMY: John thought it was better for Leaf to work with Monica, than Monica to work
9 with Geir.

10 [laughter]

11 JEREMY: Only Geir could work with, like – all those guys. So that’s bad. That’s not good
12 news for Geir.

13 LEAF: God! That sucks for Geir.

14 JEREMY: Yeah, nobody else’s schedules cha – changed, except for Geir, Monica and Stan.
15 And mine. But I haven’t fucked with your shit.

16 PERSON 3: No, you’re a good guy.

17 JEREMY: Well, fuck you – you’re not going to work for like, half a month. You know it. I
18 was lookin’ at your schedule – we were laughing about it. We were like saying that you only
19 have to work, ah, eleven days out of October, like, just, you know, in itself.

20 [REDACTED]

21 LEAF: Who – who Geir or Monica [inaudible]

22 [laughter]

23 JEREMY: She’s been there for a long time. She don’t know shit. She doesn’t know anything.

24 LEAF: Really. You wouldn’t know that from lookin’ at ah – the inc sheet there.

25 JEREMY: She does not know anything.

26 LEAF: Yeah.

27 JEREMY: I started to get so pissed off at – at her. She’s like oh, Seattle’s [inaudible] that’s
28 fucked up. Or a spin was called. She’s like, what am I supposed to do? I’m like, What! You’re
29 kidding me, right? But call the fuckin’ bitch! – Jesus Christ!

1 LEAF: Mm hm.

2 JEREMY: I'm like, you got over a half hour.

3 LEAF: Yeah.

4 [REDACTED]

5 PERSON 3: And then in the inc. sheet, instead of putting in the dec price for –

6 JEREMY: Don't talk to me. I – I didn't touch shit.

7 PERSON 3: I'm tellin' you. Just so you know.

8 JEREMY: Oh, OK.

9 PERSON 3: Instead of putting in the – the dec and the inc prices for the prices, she was
10 putting in the market clearing price.

11 JEREMY: That's what pisses me off about that girl.

12 PERSON 3: [inaudible] in the morning.

13 PERSON 3: That's like a total – that's a total lack of even understanding.

14 JEREMY: Early in the morning, I go, you know, you realize we're long, right? And she
15 goes, yeah, we're long. And I go, you know, um, we're collecting zeros. She goes, huh? She
16 didn't even understand any of that shit, and I'm like – I'm like, we're getting fucking zeros.

17 [laughter]

18 JEREMY: I'm like, what are you going to do about it. She' goes, mm, I don't know, I think
19 we're going to ride it up, which, you know, granted, that was the right answer, 'cause I would
20 have rode it out too. So, I'm like "fuck you." Y – you haven't been lookin' at your numbers
21 and then the batch was John. I j – go to – I go to her – I go, r – way early in the morning, I –
22 y – I was explaining what I do when I w – sit down, I bring up this table and blah, blah, blah.
23 I go, I – one of the first things I do is look at day ahead congestion and if it's big numbers, I
24 throw – try and throw a perpetual loop around. And if it doesn't work, it doesn't work. Like
25 yesterday it just didn't work.

26 PERSON 3: Yeah.

27 JEREMY: And she's like oh, what a bright idea, and she accepts all that bullshit. And I walk
28 away because John's giving me, you know, selling that shit to take care of just, you know,

1 just tons of bullshit, which is fun. I walked back, like – seriously, like at noon or whatever
2 time it is and John’s grillin’ her on that shit. He’s like why weren’t – were you in there. He’s
3 like there was 80 dollars congestion. You know it was fuckin’ *[inaudible]* –

4 PERSON 3: Yeah.

5 JEREMY: *[inaudible]* – and she’s like “m – m – m – m I’m from fucking Romania,” or
6 whatever the fuck she says.

7 *[laughing]*

8 JEREMY: And John was about to punch her. Like seriously, John was about to punch her.
9 It was awesome. And he *[inaudible]* it and smiled.

10 *[laughter]*

11 JEREMY: And then he turns to me, he goes, Jeremy shall we chase this? He must have
12 asked me like to fuckin’ Palo Alto it but he’s like, you know, like the dumb bitch didn’t do
13 her own job. Do you think we should do it now? It was too funny, man. She – oh, man –

14 LEAF: You know that like when there’s *[break in recording]* n – cut?

15 JEREMY: Yeah.

16 LEAF: That was – the deals were in there and like 12 times, shit like that

17 *[laughing]*

18 JEREMY: Well, no.

19 LEAF: She didn’t delete the – she didn’t delete the *[inaudible]* deals. She - *[inaudible]*

20 JEREMY: You know, us, we got fucked, but them, they – she didn’t even bother to buy
21 them on the fuckin’ transmission, Leaf. She didn’t even bother. I go ‘is everthing cool?’
22 ‘Yeah, everything’s cool. Everything’s cool.’ Besides the fact that we have no transmission
23 for fuckin’ Malin.

24 PERSON 3: *[laughing]*

25 LEAF: So you couldn’t get it from BPA or what?

26 JEREMY: Are you kidding me? It’s fucking hot out. You call ‘em at 40 after the hour and
27 you go, ‘ah, dude, I fucked up, can I get some transmission.’ They laugh at you.

28 *[laughter]*

1 JEREMY: But that – you know, that’s why Sl – Slinger’s good though. Slinger’s real good.
2 Because after I fuckin’ bitched her out. I’m – I’m not even kidding. After I bitched her out, I
3 didn’t even have to say anything to Slinger – Slinger, every time Montana called her, she
4 bought fuckin’ transmission bef – like right there, like fifteen after the hour – ten minutes
5 after the hour. That kid’s going to be good.

6 LEAF: Yeah.

7 JEREMY: He’s a smart kid, man. He realized, he’s like ‘fuck it, 200 dollars if I lose it but
8 fuck it.’

9 LEAF: Yeah, he’s all about the numbers. He’s all, like –

10 JEREMY: Oh, he’s a definite number guy.

11 LEAF: Yeah. Have heard some of his arguments on those numbers?

12 JEREMY: Ah, yeah, I’ve heard ‘em.

13 [REDACTED]

14 JEREMY: Well, give me the numbers on that?

15 [*laughter*]

16 JEREMY: Leaf, Lief, remember also how pissed off I was yesterday?

17 LEAF: Yeah.

18 JEREMY: Like I wasn’t necessarily pissed off at you, but I was just pissed because all this
19 shit’s happening?

20 LEAF: Yeah.

21 JEREMY: Well, just imagine, like I have some confidence that you could do your job,
22 somewhat, you know?

23 LEAF: Mm hm.

24 JEREMY: Monica – ‘Oh, I forgot to tell you a Nevada Power or [*inaudible*] Valley C – or,
25 ah, they – they called on that, ah, spin about fifteen minutes ago for Nevada Power. I don’t
26 know what to do about it.’

27 PERSON ?: [*laughing*]

28 JEREMY: I almost backed hand her. I’m not – I’m not kidding you, I almost backed hand

1 her. I almost lost my shit. 'Cause she's been there so fucking long.

2 LEAF: Yeah.

3 JEREMY: Dumb bitch.

4 LEAF: You know we're bein' recorded.

5 JEREMY: I don't care.

6 LEAF: *[laughing]*

7 JEREMY: Yeah, John's never going to pull this tape anyway. John asked me where I
8 thought everybody belonged – every single person.

9 LEAF: Yeah.

10 JEREMY: And that was pretty fun. I said Holden belonged to the gutter!

11 *[laughing]*

12 JEREMY: And Rick is the scum! I'm just kidding. No, but he was asking like, ah, who I
13 think a – if he died –

14 PERSON: *[laughing]*

15 JEREMY: I'm not kidding you. He was asking fucked up questions. Him and I – that's all
16 him and I did was talk today, 'cause I didn't do shit. I had a meeting with the ISO like, ah,
17 what do you call it – what do you call it, shit?

18 LEAF: Conference call?

19 JEREMY: Conference call. Other than that, that's about it, but um, it was like, if I died,
20 who would take my place, do you think? And he – and I go, what do you mean. He's like,
21 no, just from the group. Who – who do you think would be the best take my place? And I
22 said – after some thought, I said, Jesse and Stan.

23 LEAF: Mm hm.

24 JEREMY: I think they would be the best.

25 LEAF: Yeah.

26 JEREMY: Not excluding Mike, either. I just think Jesse and Stan would be the best at doing
27 what he does.

28 LEAF: Yeah, pretty level-headed.

1 JEREMY: Yeah, level-headed it, you know, and they're smart guys, but you know, they keep
2 their shit together. Like Bill, Mike, myself – we couldn't do it. You know, there'd be extreme
3 hatred towards people.

4 LEAF: *[laughing]*

5 JEREMY: I'd fire everybody. Not everybody, but, I mean, I would lose my shit and I'd be
6 like – and *[inaudible]* John's like 'what about you?' and I'm like, you kidding me? Either I
7 fuckin' slit their throat or I fuckin' fire 'em. He starts laughin'.

8 LEAF: *[chuckling]* It's funny, 'cause it's true.

9 JEREMY: It is. It's so true. I was like, I can't take your job, man. I go, I prefer to work
10 alone anyway, man. I don't know if I have the management skills. And he was like – then he
11 starts tryin' to teach me about management skills.

12 LEAF: *[laughing]*

13 JEREMY: I'm like, John, you could tell me this shit a million times. When the shit hits the
14 fan, doesn't mean I'm not going to fuckin' want to punch somebody. But – so, I learned a
15 lot about shit today, actually.

16 LEAF: Yeah.

17 JEREMY: Bull. Not shit, as far as what's goin' on, but real time, where people are movin'.

18 LEAF: OK.

19 JEREMY: And ah, no shit, but you're going to be the veteran soon.

20 LEAF: I know it's cra *[break in recording]*

21 JEREMY: When I say that, I'm not j – fuckin' jokin'.

22 LEAF: Yeah, I know. *[break]* do you know?

23 JEREMY: Ah, I guess off the books, I think I – I'm going to short term *[inaudible]*. Just to
24 do fundamental shit.

25 LEAF: Cool.

26 JEREMY: Just to do research. *[break]* *[inaudible]* We'll see.

27 LEAF: Do you know how soon that is?

28 JEREMY: What's that?

1 LEAF: Do you know how soon that is?

2 JEREMY: What's that? I can't hear you.

3 LEAF: Do you know how soon?

4 JEREMY: Mm. Pretty soon. I'd say.

5 LEAF: Crazy.

6 JEREMY: Yeah. And then Mike's goin' on or Matt Motley

7 LEAF: Yeah, that's next month, right?

8 JEREMY: Ah, yeah, and there's people that are moving pretty soon. Even if they haven't
9 been notified yet. I think. John was asking me some supreme opinions earlier today. I fuckin'
10 hate when he asks me these opinions and it's like concerning my friends.

11 [REDACTED]

12 JEREMY: They're like, you know you got *[inaudible]*, I'm like, yeah, but I can lift boxes for a
13 living. They're like, well, why wouldn't you like to do this? You know, it was all fuckin'
14 *[inaudible]* shit, but, might mean more work now, but shit, man, all of us are shooting for that
15 trader job.

16 LEAF: Yeah.

17 JEREMY: You get into – any of us get in there and we're fuckin' – and we're the future of
18 Enron. Think about it. I mean, like five years from now it could be you at one desk, myself
19 at one desk, Jesse, you know what I mean – Mike, and we're fucking making half a billion
20 dollars for Enron. Can you believe that?

21 LEAF: Yeah.

22 JEREMY: We'll definitely retire by we're 30.

23 LEAF: That would be the hope.

24 [REDACTED]

25 JEREMY: Me nothing in particular. *[inaudible]* Go answer that, somebody.

26 LEAF: We had troubles earlier. Colin's been working on the *[inaudible]* for like three, four
27 hours now.

28 JEREMY: Oh, that's *[inaudible]*. Yeah, but Colin's not so smart. Hah! No, actually, that kid's

1 fuckin' smarter than shit.

2 LEAF: He's smarter than shit, but he's just not that smart, you know what I'm saying?

3 Aaaah.

4 JEREMY: That kid is – that kid fuckin' just gettin' ahead of himself. He's going to be – he's
5 going to pass up some people I think.

6 PERSON ?: Yeah, he's going to be a super star.

7 JEREMY: I think so. Actually.

8 LEAF: Yeah, he's got the glasses, too. He's got the look.

9 JEREMY: Well, he's starting at the right time. He's going to be fucking pimp by like April,
10 you know, like when April rolls around, when the hot prices come on –

11 LEAF: Yeah.

12 JEREMY: He's going to be pimp-daddy. Because by that time, actually, you might be gone.

13 LEAF: Yeah.

14 JEREMY: By April? Shit.

15 HOLDEN: What are you talking about?

16 JEREMY: We're just talking about, I was saying Colin's actually in one of the best in place. I
17 think, ah, *[inaudible]*

18 *[REDACTED]*

19 JEREMY: I had some major doubt when – about John's ah, knowledge when he fuckin'
20 hired Monica and that shit. I – I still doubt it man. She's a dumb bitch.

21 *[laughter]*

22 JEREMY: And it's – it's recorded. Yes I recor – I understand that John will if he ever listens
23 to this. She's a dumb bitch.

24 *[laughter]*

25 LEAF: Well, the thing is, just because, ah, the – both of – both ah *[inaudible]* *[break in*
26 *recording]* –

27 JEREMY: Oh, she's fuckin' stupid. I don't care what you're saying. She's stupid.

28 LEAF: No, I'm just sayin' that you know *[inaudible]* you know doesn't *[inaudible]*

1 JEREMY: She might be a bright girl in Albania or wherever the fuck she came from but –
2 LEAF: *[laughs]*
3 JEREMY: Welcome to USA.
4 LEAF: Yeah, well.
5 JEREMY: No, seriously. Today she asked me to show her how to fuckin' import
6 something. I'm – I'm not talking about anything else but a simple import. She asked me how
7 to do it. I almost snapped and punched her in the face. How long has she been there? Is
8 Holden on the line?
9 LEAF: Naa.
10 JEREMY: How fuckin' long has she been there
11 LEAF: She's been there, I don't know –
12 JEREMY: She's been a long time.
13 LEAF: I've been here for *[break]*
14 JEREMY: *[inaudible]* like LV Co-gen shit. That shit I understand, you know, how many
15 times you've done LV Co-gen shit. You know, twice. But she asked me how to do a regular
16 fucking import.
17 LEAF: Well, she's ah – she – she *[break]*
18 JEREMY: Naa. More than that. I don't know. Maybe not. But she worked here. She worked
19 at Enron before you, you know that?
20 LEAF: That's true.
21 JEREMY: She – she's a nice girl, but I'm very impressed with Slinger and Colin. Those guys
22 are both hungry. They ask questions like non-stop.
23 LEAF: Yeah, they're pretty good.
24 JEREMY: I'm like, stop answering questions, just sit there
25 PERSON ?: *[laughs]*
26 JEREMY: Pissing me off.
27 PERSON ?: Yeah, I know.
28 JEREMY: But they're going to be – they're going to be real good traders.

1 LEAF: Yeah, I think so.

2 JEREMY: I'm actually really impressed with Slinger – not necessarily his trading skills, but
3 his ability fuckin' *[inaudible]* El Paso.

4 LEAF: Yeah?

5 JEREMY: He starts, like explaining what he wants to do, and I'm like, damn, I didn't even
6 realize that. You know what I mean, I'm like, in my mind I'm like 'damn.' Kid's taking this
7 shit real fast.

8 LEAF: Yeah.

9 JEREMY: He's doin' good.

10 LEAF: He's got a sense –

11 JEREMY: That Colin kid though. [REDACTED].

12 LEAF: What?

13 JEREMY: I – I was just hopin' Colin was on the line.

14 LEAF: No. Colin's not on the line. [REDACTED]

15 JEREMY: Tell him that McLaine checks that shit, so [REDACTED]. He's too good to be
16 true.

17 [REDACTED]

18 LEAF: I got El Paso. I better grab this. Just a second.

19 =====

20 LEAF: El Paso, it's Leaf.

21 Herman >> Leaf, Herman with P&M.

22 LEAF: Hey.

23 HERMAN: Leaf for next hour, hour ending 0600

24 LEAF: Mm hm.

25 HERMAN: We take that El Paso contingent from a 28 back up to a 50?

26 LEAF: Ah, for 600. P&M goes from 28 to a 50.

27 HERMAN: You got it sir.

28 LEAF: Will do.

1 =====

2 JEREMY: [*inaudible*] no on board shit.

3 LEAF: [*laughs*]

4 JEREMY: [*inaudible*] Colin Answer it! Tell Colin to answer. I'm not kidding though. John

5 told me that – he goes, he goes no more of baby-sitting people. He goes make them fuckin'

6 do all the work.

7 LEAF: Yeah.

8 JEREMY: He's like – he's like, today you d – today? I was so – you know, Monica and ah,

9 what's his name – Slinger – was on. He was like – he was like, you know, you, Mike and Bill

10 and Jesse advanced so fast, you know, it's like I think the reason was, because nobody was

11 there around to baby-sit you. You didn't have three on your shift, it was by yourself, or just

12 two of you.

13 LEAF: Yeah.

14 JEREMY: And he's like, you know, from now on when there's three of you guys there, the

15 most experienced guy just fucking tells him fuck you, do it, do it, do it, do it.

16 LEAF: Yes.

17 JEREMY: 'Cause that's the only way to get, you know, understanding this shit anyway.

18 LEAF: Yeah. You have to do it. Yeah, next, ah [*inaudible*] sittin' at this desk –

19 JEREMY: [*inaudible*] That's what you should do anyway. You don't watch 'em but, I mean,

20 don't fall asleep or anything, but watch him. Tell him to stake his own choice of [*break*]

21 LEAF: [*yawns*] I [*inaudible*] just a second.

22 =====

23 LEAF: El Paso, this is Leaf.

24 JOHN: Yeah, this is John Pacificorps.

25 LEAF: Yeah.

26 JOHN: For next hour looks like I've run out of room. I need to go to zero at 25. [*break*]

27 buying from at Four Corners.

28 LEAF: [*break*] [*inaudible*]

1 JOHN: Great. Thank you sir.

2 LEAF: All right, bye.

3 =====

4 LEAF: Yeah, Jeremy, I gotta go out and buy or *[inaudible]*

5 JEREMY: All right, *[inaudible]* today? Talk to me. Come on.

6 LEAF: Hey Holden get on the phone here.

7 *[inaudible]*

8 PERSON ?: What?

9 =====

10 *[dialing/ ringing]*

11 LES: Salt River Project, this is Les.

12 LEAF: Hey Les, this is Leaf in El Paso.

13 LES: Yeah, hi Leaf.

14 LEAF: Hey, you guys lookin' to pick anything up hour ending 6?.

15 LES: We're really not, Leaf. We're s -- plenty of energy right now and --

16 LEAF: All full up, are you?

17 LES: Yeah, just getting' ready to shut down the last of our units and stuff, so we're sittin'
18 pretty heavy.

19 LEAF: All right.

20 LES: Yeah. Thank you for askin' Leaf.

21 LEAF: Thank you.

22 LES: OK Mm hm.

23 *[end of file]*
