2 GEIR: El Paso, this is Geir.

3 PERSON 2: Yes, ah, how much you going to cut at the end of the hour.

4 GEIR: We're not cuttin' anything.

5 PERSON 2: And how am I w – am I going to push [*inaudible*] You dropped from 25, from  
6 ah, IID.

7 GEIR: Ah, y – you're going to be on top of yours now you're saying?

8 PERSON 2: I'm already pushing up 60 megawatts.

9 GEIR: 'Cause now we're pushin'.

10 PERSON 2: Yeah.

11 GEIR: Yeah? OK.

12 PERSON 2: You need to do something.

13 GEIR: Yeah, w – OK.

14 PERSON 2: Let me know.

15 GEIR: We – we didn't buy a hundred megawatts from LA, we bought 100 megawatts of  
16 reserves.

17 PERSON 2: He told me he bought a – a hundred megawatts. He didn't tell me no reserve.

18 GEIR: He – of reserves.

19 PERSON 2: Yeah. He didn't say no reserves.

20 GEIR: I don't 'know what he said, but that's what we – that's what we bought. I thought –

21 PERSON 2: You know, I'm ah, you guys are messing – you know, you guys are killing me  
22 with my ri – reli – reliability out here in El Paso, you know that, right?

23 GEIR: Yeah, I guess – I don't – I don't know what to say, right now, man.

24 PERSON 2: OK, well, you know, let me call my marketer. I mean I – I – I can't talk to  
25 you like this, you know, this is [*inaudible*] – my reliability is really – is really bad here, you  
26 know, I can't be pushing these things up and down.

- 1 GEIR: No, I know –
- 2 PERSON 2: OK, so I'll talk to you later, bye.
- 3 GEIR: Yeah, just get the res – just get the –
